Travel in luxury

Why not pop down to the Olympia in London on the 6th-9th November for the Luxury Travel Fair and get some ideas on where to spend your honeymoon. The well-travelled will be there to share tales of their journeys and advise you on yours! Booking line 0871 230 1091 (£15 advance/£17 on the door). Visit www.luxurytravelfair.co.uk to find out more.

LOVE YOUR CURVES

If you have curves it can be hard to find glamorous and fashionable swimwear to fit, but Hoola Swimwear is designed to flatter and enhance the curves of D-G cups. The range is inspired by 50s pin-ups and retro 70s glamour. We love this red Carmen halterneck (£45) with tie-side (£25) available from www.hoolaswimwear.com.

Trendy case with space

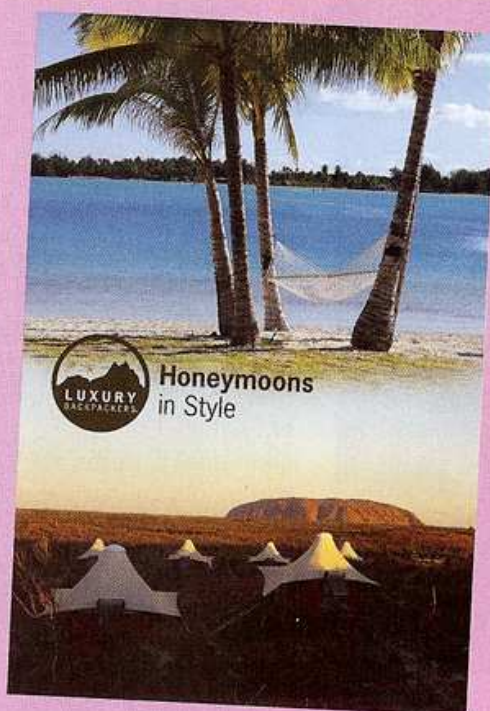

This Airtec Trolley Case (£67) by Carlton Luggage is ideal for your honeymoon. It has a secure combination lock and is available in a variety of colours. Plus, the generous dimensions (L56 x W31 x H81) mean there is space for your essentials and luxuries! For a store locator see the website www.carltontravelgoods.com.
